

## CAR PARKING

There are 3700 car parking spaces at ExCeL, including over 2000 spaces in the Purple and Orange Car Parks located in the Undercroft beneath the venue.

The Royal Victoria multi storey car park is located at the West of the campus next to the Crown Plaza Hotel. Tickets are issued via a barrier system on entry and payment should be made on departure. Payment machines are located at the entrance to the car park on level zero and on level two and accept both cash and credit card.

The Purple and Orange car parks operate on a pay and display system and tickets can be purchased from payment machines located along the coloured walkways. The machines accept coins, notes and credit cards. As ExCeL London is a green venue, all pay and display machines will be found on stand-by which will activate as soon as you insert your card or cash.

**Please note that the multi storey and undercroft car parks are only for vehicles below 1.9m in height.** Vehicles over 1.9 m in height can park in the East Car Park. Spaces are allocated on a first come first served basis.

The on site hotels have their own private car parking facilities. Please contact the relevant hotel for further information.

Bicycles can be parked at the racks opposite the entrance to the Novotel Hotel or at those located at the West Taxi rank.
